Rev. George Duncan, D.D.,

St. Andrew's and St. Paul's Manse,

Dorchester Street, Montreal.

Dear Dr. Duncan:

Principal Gandier spoke to me a day or two ago about receiving a letter from you with regard to the possibility of a change in the arrangements of the sermons on account of the influenza. Pressure of work has made me delay writing to you in regard to the matter, and in fact I was not quite sure of what our conditions might be. It has now been settled that the University will reopen on Tuesday morning, the fifth of November. Therefore I assume that we shall be allowed to have public meetings without let or hindrance after that and we hope to be able to resume the sermons. I am looking forward to your visit in Toronto and hope that our health conditions at home will be such that we may be able to have you stay with us while you are here.

With kind regards, I am,

Yours sincerely,

President.
